

## Newsletter: Project Hästen 21

2022-11-08

This is the sixth newsletter regarding the construction project "Hästen 21", located in the intersection of Regeringsgatan and Mäster Samuelsgatan.

The project distributes bi-weekly newsletters about ongoing and upcoming activities, to make sure you are informed about what is scheduled to happen.

*If you don't wish to receive these updates, or want to add someone to the distribution list, please send an e-mail to [projectaccess@pembroke.com](mailto:projectaccess@pembroke.com).*

### Current activities

 = minor disturbance     = brief but with higher intensity     = persistent

- Light demolition
- Transports to and from the fenced area, on Regeringsgatan, Mästerfaret and Mäster Samuelsgatan
- Scaffolding construction

- Mounting of cable ladder and other cable works by the loading dock in Mästerfaret

- Piling, concrete, and forging works for the crane foundation at Mästerfaret and Mäster Samuelsgatan

### Upcoming activities within the next three weeks

- The current activities, stated above, will continue for a few more weeks
- Pre-demolition of façade, street level

### Planned activities outside normal working hours

- Drilling and piling in Mästerfaret until 8 pm.
- Low disturbing works will be carried out after 5 pm on weekdays and weekends, from week 44 and onwards (updates will be sent).

## **Special attention needed, for example planned cut in water and electricity, noise, and vibrations etc.**

- Piling in Mästerfaret along Hästen 21's loading dock, will continue through week 44
- Mounting of cable ladder and other cable works by the loading dock during the time period October 27<sup>th</sup>-November 17<sup>th</sup>.
